FEDERAL EMPLOYEE HEALTH BENEFITS FOR MILITARY RETIREES: CHAMPUS coverage for military retirees is automatically transferred from CHAMPUS to Medicare coverage upon attaining the Medicare eligibility, at age 65. Employees have 31 days from the date of loss of CHAMPUS to enroll in a Federal Employees Health Benefit (FEHB) plan. Military retirees who are thinking about retiring from civilian service before reaching Medicare eligibility are reminded: to have FEHB coverage as retiree, an employee must be enrolled at the time of retirement; to insure coverage, they should enroll in an FEHB plan that takes effect before the retirement date elected. To keep FEHB after retirement, employees must be enrolled for at least 5 years; and coverage under CHAMPUS counts towards eligibility to carry FEHB into retirement. Questions regarding health benefits should be referred to Kathleen Ellis (867-2002), or Lisa Fowler (867-1883), Benefits Team, Personnel Office, Headquarters Building, Room 2506. (BA-B)

LOST AND FOUND: SGS Security Services is the focal point for Lost and Found and is in possession of numerous items found on KSC. These items can be claimed upon proper identification by contacting SGS Security Investigations Office at 861-5149. Items not claimed after 90 days will be turned over to the KSC Property Disposal Officer. (TA-G)

OIG: The Office of the Inspector General is the focal point within NASA for conducting audits and investigations to promote economy and efficiency and to prevent and detect fraud and abuse in NASA programs and operations. The OIG receives and investigates complaints or information about inefficiencies, mismanagement, or gross waste of funds; possible violations of law, rules, or regulations by NASA employees, contractors, or others; or substantial and specific danger to the public health and safety. The Inspector General will not disclose the identity of a person who provides such information without that person's permission, unless the Inspector General determines that disclosure is unavoidable during the course of investigation. NASA employees are protected by law from reprisal for making complaints or disclosing information to the Inspector General. At Kennedy Space Center, call: 867-4714, or call toll free: 1-800-424-9183, 24-hour answering service, or write: NASA Inspector General, P.O. Box 23089, L'Enfant Plaza Station, Washington, DC 20024. (OIG)

INSPECTOR GENERAL: The Office of Criminal Investigations (OCI) is the investigative arm of the NASA Inspector General (IG). The OCI is an independent entity and reports directly to Robert Cobb, the NASA IG, in Washington D.C. The primary mission of this component is to conduct criminal and civil investigations of reported or suspected fraudulent acts by employees, contractors, and others relating to the administration of NASA contracts and programs. Although emphasis is placed on major procurement fraud, (particularly allegations of defective/substandard parts, mischarging, kickbacks, bid rigging, and research fraud), investigations are also conducted of theft, conflict of interest, environmental and hazardous waste violations, health care fraud, and computer related crimes. OCI also provides fraud briefings for Government and contractor employees that are designed to highlight potential risks concerning fraud and related matters. Suspected violations can be reported by calling 867-4714 locally, the toll free Hotline at 1-800-424-9183, or by writing NASA Inspector General, P. O. Box 23089, L'Enfant Plaza Station, Washington, D.C. 20024. The OIG Cyber-Hotline can be accessed at www.hq.nasa.gov/office/oig/hq. (OIG)

GRAPHICS/PUBLICATIONS: Before you begin any work for publication, consult the JBOSC Graphics Department. According to the print shop, approximately three jobs per week have to be reworked because of problems with alignments, reductions, and postscript formats. By consulting with JBOSC Graphics first, you will eliminate wasted time and effort to rework your project. Graphics will ensure your artwork is produced efficiently and is suitable for reproduction. Graphics has electronic transfer capability, a proven method for first quality prints directly from the original, compared to low density reproductions from copied artwork. For information, call 867-3838. For your convenience, JBOSC Graphics has two additional offices located in the O&C Building, Room 1152, 867-7419; and, in the OSB Building, Room 6204, 861-3814. (TA-E1)

RIDESHARING PROGRAM: If you are interested in joining an existing car/van pools or forming a new one, contact the Space Coast Commuter Assistance (SCCA) at 952-4563, ext. 301, or www.ridescat.com. Click on the "Space Coast Commuter Assistance" tab, then "carpool matching" or "vanpool matching." Fill out the "information Request Form" online, and submit it. The information provided on the form will be fed into a computer which matches people by residential areas and compatibility of work hours. SCCA will mail the submitter a list of potential car/van poolers. (TA-E1)

MISUSE OF OFFICE COPIER PAPER: Paper delivered to the Lanier copiers must not be used for any purpose other than making copies on Lanier copiers. Copier paper is much more expensive than that of paper issued for typing, fax machines, or laser printers, as the cost of delivery services are included. Paper for typing, faxing, and laser printers should be requisitioned from your designated Supply Support Service Vendor. Contact Ann Gary, 867-9103, if you have any questions. (IT-D1).

ENVIRONMENTAL & ENERGY AWARENESS WEEK CELEBRATION – APRIL 2005: Mark your calendars for April 21-22, 2005, to attend the activities for the Environmental & Energy Awareness Week in celebration of Earth Day! If you are interested in participating in next year's event as an exhibitor, we would love for you to register online. Registration will close on January 31, 2005. If you have any problems with the registration on line, please contact Barbara Naylor at 867-8452 or email Barbara.A.Naylor@nasa.gov. The registration address is <http://eeaw.ksc.nasa.gov/>. Watch for future articles and join in the fun!

REPORTING EMERGENCIES: To report any emergency on KSC, whether it is fire, security, or medical related, (including possible hazardous commodity exposure); dial 9-1-1 or 867-7911 from a cell phone. For walk-in type first-aid treatment, the Occupational Health Facility is open Monday - Friday from 7:00 am to 5:00 pm, and the Launch Area Clinic is open Monday-Friday 7:00 am to 3:00 pm. Hours other than those, call 911 for emergencies and/or first aid type treatment. **After normal working hours, the non-emergency medical related assistance will be coordinated through the 9-1-1 operators.** (TA-G)

EMPLOYEE ASSISTANCE PROGRAM: All employees are reminded that the Employee Assistance Program offers free, confidential counseling to all Kennedy Space Center and Cape Canaveral Air Force Station employees. Appointments are necessary to ensure adequate time. This program is available Monday through Friday, 7:30 am to 4:00 pm. Appointments may be made by calling 867-7398. (TA-C2)

WEEKLY NUTRITION TIP: Healthy Tips for the Holidays

Holiday cooking does not have to mean unhealthy cooking. Give these healthy alternatives a try!

- 1) Try using fresh herbs such as rosemary, thyme, and oregano, dill, basil, lemongrass, and chives, as well as broth (chicken or vegetable) to season vegetables.
- 2) Use maple syrup, fruit preserves, or apple juice to sweeten winter squash.
- 3) Use broth (vegetable or chicken) in mashed potatoes instead of butter or margarine. Add garlic and or herbs to season them.
- 4) Cook sweet potatoes in calcium fortified orange juice. Not only will this add sweetness to the dish, it will also add an important nutrient.
- 5) Substitute butter or margarine with apple sauce or pumpkin puree when making stuffing.
- 6) Substitute cream cheese or cream with silken tofu, which is much lower in saturated fat, when making dips and sauces.

MASSAGE THERAPY: The holidays are upon us once again, anyone wishing to purchase a gift certificate for Massage Therapy may do so by calling Valerie, L.M. T#19362, at 867-4762 or e-mail her at jaramvs@ksccems.nasa.gov. Hours of operation are Tues.-Fri. 10:00 am-4:00 pm, hours are flexible. Until Dec. 31st 2004 you pay ONLY \$20 for a 30 minute massage. The KSC Massage Clinic is located in room 1023, O&C Building. (TA-C2)

KSC FITNESS CENTER: A new Group Fitness Class Schedule has begun as of October 11th and will run through December 31st. In addition to our usual aerobic, resistance training, yoga, and Pilates classes, we are also offering a couple of new classes this quarter including Karate and Yogalates. The Karate class covers practical applications of techniques from several martial arts styles. The Yogalates class combines the techniques from both the ancient studies of yoga, as well as the more modern concepts of Pilates. New schedules and class descriptions are available at both the O&C and OSB facilities. COME JOIN THE FUN! WE LOOK FORWARD TO SEEING YOU! (TA-C2)

MEDICAL CLINICS HOLIDAY SCHEDULE: The Launch Area Clinic (LAC located in the MFF) and the Occupational Health Facility (OHF, M6-495) will be closed for the Christmas holidays from December 24, 2004 through January 3, 2005. They will both reopen on Tuesday, January 4, 2005. The Visitor Center Clinic will be closed December 25. **Emergency medical services are available 24/7 by dialing 911 or 867-7911.** (TA-C2)

Managing the Holidays: The holidays can be a joyous time of year for some and a stressful, sad, and/or lonely time of the year for others. It is important to be aware of the holiday blues and stress symptoms and recognize that these feelings are common at this time of year. Also, budgeting one's time and money for the holidays and dealing with grief or recent hardships need to be managed as effectively as possible. This month's HEWP information packet deals with managing the holidays from all of these aspects. The packet is available on the HEWP website: <http://sgs.ksc.nasa.gov/sgs/sites/other/chs/omehs/occmed/home/index.cfm?page=hew>

Hardcopies of the packet will also be available at all medical and fitness facilities. If you or your department/organization would like to be added to the monthly packet hardcopy distribution list, please call Kris Calderon at 867-3414. (TA-C2)

WOMEN'S HEALTH TOPIC: DEFEATING HOLIDAY STRESS: Women often take on the majority of holiday stress with cooking, shopping for gifts, decorating, and preparing for holiday gatherings with family, friends, and neighbors. Therefore, this month's women's topic will focus on defeating that holiday stress. An informational packet including tips on "beating and reducing holiday stress," "planning events without the stress," "eating for energy," and "stress-buster" gift ideas for women and men is available at the spaceport clinics and at the Holiday Information Table. Please contact Heather Torbett at 867-4566; email Heather.Torbett@jbosc.ksc.nasa.gov or Kris Calderon, 867-3414; e-mail Kristine.Calderon@jbosc.ksc.nasa.gov with input for other Women's Health Program topics. (TA-C2)

COLORECTAL CANCER SCREENING: Small amounts of blood in your stool, which can be detected with hemoccult slides, can be an indication of colorectal cancer. Hemoccult slides and instructions are available at all medical facilities during hours of operation. (TA-C2)

WORKSITE LECTURE: Work-site lectures on any health subject and requests for health information or counseling are available upon request to Kris Calderon, phone: 867-3414, e-mail: Kristine.Calderon@jbosc.ksc.nasa.gov (TA-C2)

STRESS MANAGEMENT WORKSHOP

Any employee group can request delivery (at any time of the year, during the workday) of a newly developed, interactive workshop designed to teach employees how to handle stress at their workplace and in their lives. The workshop can be condensed to 30 minutes or extended to more than an hour for optimizing coping and relaxation skills. Example of topics and skills covered in this workshop can include:

- Identifying stress triggers
- Learning about the body's response to stress
- Learning "Portable" relaxation techniques
- Stress perception

KSC Recycles

Kris Calderon, PhD, CHES, BCIAC, KSC/CCAFS Health Education Administrator will be offering this workshop. Kris is certified in biofeedback and has used relaxation training for stress management in her teaching, service, and research. If interested, please contact her at 867-3414 or e-mail at Kristine.Calderon@jbosc.ksc.nasa.gov for more information. The workshop can be delivered in any worksite setting. (TA-C2)

MERRITT ISLAND NATIONAL WILDLIFE REFUGE: Birding Optics Workshop 101

Confused by all the numbers and technical terms about binoculars? Are you looking for the perfect pair as a present? Optics enhance wildlife observation. Many people don't understand how to properly use optics, which results in not seeing the bird or animal sought. Merritt Island National Wildlife Refuge is hosting an optics workshop that will focus on the optics used for the increasingly popular pastime of birding. Long-time refuge volunteer, Cary Salter, who is a long time birder, will cover the basics of choosing and using binoculars and spotting scopes. He will discuss the pros and cons of many optic products, some of which will be available after the talk for hands-on tryout. Don't let terms like 'roof prism', 'multi phase correction coating' or 'eye relief' worry you. The approximately one hour long talk will cover everything you need to know when considering purchase of binoculars and spotting scopes. This free workshop is scheduled for Sunday, December 19 at 2:30 pm. Please meet at the refuge visitor center which is located on State Road 402, 5 miles east of US1 in Titusville. For additional information please contact Nancy Corona at 321-861-0668 or by email at Nancy_Corona@fws.gov

MERRITT ISLAND NATIONAL WILDLIFE REFUGE: Merritt Island Wildlife Association (MIWA) and the Brevard Watercolor Society (BWS) have partnered for the second annual exhibition of "Watercolors of Wild Things."
